OUR EFFORTS SPENT

As seedlings small
Four years ago
We came to school
To learn and grow.
Through four long years
Our efforts spent
Have brought us to
Our heart's content

We say good-bye
To each school friend;
With sad farewells
Our school days end
Out in the world
Of care and strife
We'll try to win
Success in life.

Seedlings to Fruit

In September, 1944, one hundred and eight tiny seedlings were planted in the fertile soil of Louisa County High School. As we began our new life, we ushered into office Eugene Butler as president; Lovell Morris, vice-president; and Billy Gibson, secretary-treasurer. On December 19, 1944, we presented Dicken's "Christmas Carol." Characters were "Scrooge," Eugene Butler; the Ghost, Mary Louise Walton; and "Tiny Tim," James Holley. Friendships, assembly programs, classes, activities—these are only a few of our many freshman experiences which enrich our memories.

Summer activities aided our development and the class of '48 returned to L.C.H.S. as sprouts to glory in their newly acquired sophistication. It did not seem possible that we were sophomores, but in helping the freshmen find their way about, we realized that we were truly upperclassmen. In March, 1946, the Maskers presented a play, "Cinderella in Loreland," in which talented Ann Rosson displayed her acting ability as the very naughty cat. Remember?

In the fall of 1946 the class reassembled, blossoming and more serious than ever. The number had fallen off but the quality lingered on. This was the year our school had its first football team, consisting of the following juniors: Donnie Harvey, John Frank Massie, Russell Hester, Robert Clark, James Dodd, George Payne, and A. P. Hall, Jr. As juniors, it wasn't long before those class rings appeared on our fingers.

As mature fruit, we, the class of '48, assumed leadership in all school activities. Charles Hutcheson was chosen president and Barbara Harris and Edith Kennon were selected to assist him. With only one year remaining at L.C.H.S., we determined to fill that year every inch of the way with classes and school activities. A trip to Charlottesville to see the University of Virginia football eleven overcome George Washington University started our activities in full swing. Most of our time in the fall was spent rehearsing the Maskers' production, "Are You Mr. Butterworth?" Oh! We mustn't forget that at this time several of our seniors were stars on the football team. After the Christmas holiday, we began work on our class play, "They Shook the Family Tree." In the Spring we dashed from week to week as Graduation Day loomed ahead and we weren't missing a single privilege as much envied seniors.

At last that symbol of scholastic attainment, the DIPLOMA was passed to the hands of the class and we were graduated—full grown ripened fruits——ready for the world's picking.

The Maskers, dramatic group of L.C.H.S., has a membership of thirty and is affiliated with the National Thespian Society for High Schools.

The purpose of the Maskers is to foster interest in acting, stage-craft, and make-up, and to present at least one good play each year.

This year the club gave two plays. The first, "Are You Mr. Butterworth?", a mystery-comedy, was given on December 12. The main feature of the play was the timing or tempo. The second play, "A Connecticut Yankee in King Arthur's Court," was given in April.

The purpose of the Art Appreciation Club is not to make artists of the pupils nor to develop a high degree of technical skill, but rather to cultivate the power of observation and encourage the appreciation of good pictures.

The outcome, we hope, will be the development of standards of taste and judgment which will enable the pupils to enjoy the beautiful in art.

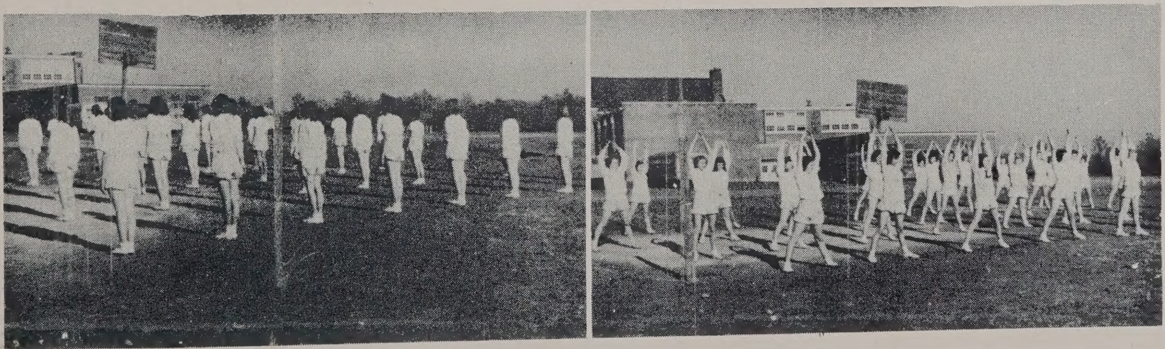
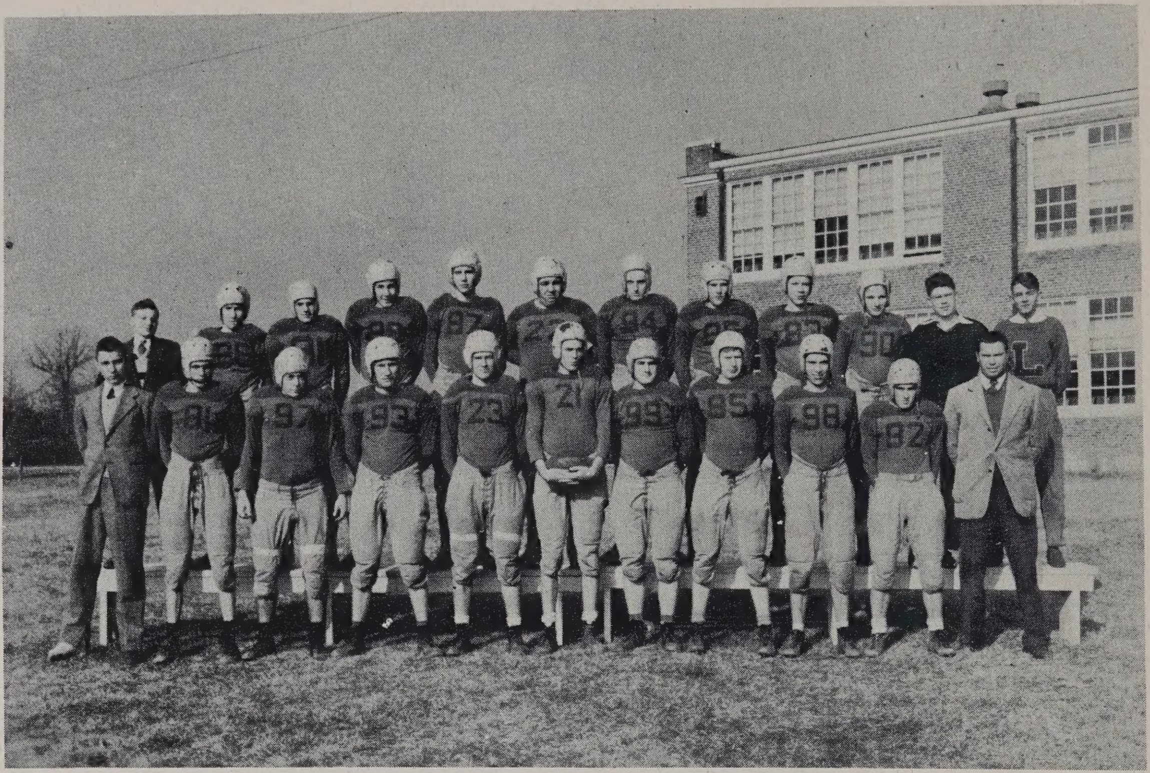
"Get ready—one, two; one, two!" With that signal the cheering begins. *"Old green and gold! Rah! Rah! Rah!"*

The Cheerleaders, with the help of forty girls in the Pep Squad, gave spirit and inspiration to the football team and spectators during the entire football season.

Girls' Activities





Football

The 1947 gridiron season began for our boys in a tough conditioning program along with the experimental probing of the intricate possibilities of the T-formation offense. Our squad was faced with a myriad of difficulties: lack of experience (most of the boys had never played football before); lack of practice time (buses left at 3:00 p. m.); lack of adequate equipment (high cost of financing and equipping the team); irregular practice sessions caused by out-of-school demands on the boys in the afternoons; and finally the numerical inadequacy of the squad which was composed of seventeen boys most of the season and precluded intersquad scrimmage.

Thorough thumpings were administered to our team by Ashland, Front Royal, and Culpeper. We were also beaten by Fluvanna and Manchester, but displaying tremendous improvement toward the end of the season, Louisa tied Madison twice, 6-6, and 7-7, tied a favored Falmouth team 20-20, and then closed the season with two wins over Orange 7-6 and 25-7.

Our younger boys, many of them out for football only a week played a Fork Union junior team on Thanksgiving and won 14-6.

Looking forward to next season, Louisa can anticipate a more successful football campaign. Co-Captains Berryman and Moss fall heir to the leadership duties of this year's Captain Bobby Clark. With the able support from lads like Payne, Dodd, Jennings Fisher, George Fisher, Sims, Eubank, Hollins, Harris, Mills, Blake, Beeler, and Watkins, and also a strong contingent coming up from this year's freshman class, the teams that kicked the green and gold around so lustily this year, may expect a different reception.

Baseball

The schedule included two games with each of the following teams: Glen Allen, Spotsylvania, Falmouth, and Ashland, and practice games with Highland Springs, Orange, Madison, Fluvanna, and Culpeper.

To carry out this ambitious baseball campaign Louisa put on the diamond a team composed of boys who had at least one year's experience in their respective positions. Veteran infielders included Bobby Clark, George Payne, A. P. Hall, Russell Hester, Donnie Harvey, and John Busbee. The battery duties were handled by Ralph Cameron and Warren Powell, pitching, and Ralph Johnson, catching. John Massie, Sam Bazzanella, Buddy Shumake, and Ray Berryman were experienced outfield candidates.

Other boys of this very enthusiastic baseball squad who gave support were Charles Butler, Aubrey Sheridan, Halcolm Hart, Albert Johnson, David Vogt, Earle Lloyd, Bernard Watkins, Lindsay Cave, Carl Slayden, and John Rogers.
